The formation process;

GhanAPA was formed in Ghana in the year 2018 at an initial meeting called by Issah Ali, the Head of WAAPA Secretariat.

Four different organisations joined hands to start the Alliance which now has a membership of eight organisations namely; Federation of Youth Clubs, Vision for Alternative Development, Institute of Leadership and Development, Ghana Organisation on Fatal Alcohol Syndrome, Hope for the Needy, Load Ghana and Young Women Leaders Network.

Series of meetings and interpersonal engagements ensued the final formation and the subsequent inauguration of the Alliance.

DRAFTING OF CONSTITUTION

In order to have a resilient organisation govern by rules and order, the leadership of GhanAPA held series of consultations among its membership and be young, after which a team was instituted to draft a constitution. The draft constitution went through exhaustive review by members before adoption on the 27th day of December in the Year 2018.

REGISTRATION OF GHANAPA

The Alcohol Policy Alliance – Ghana was officially registered by the Registrar Generals Department with certificate number CG073922019 issued on the 2nd Day of May 2019, the registration therefore, formalised the operations of GhanAPA as a legal entity in Ghana. The process which included background checks of the signatories and auditing took several months to be completed

BANK ACCOUNT OPENNING

For smooth and formalised financial transactions in the country and beyond. The Alliance opened a USD Account with Eco Bank – Ghana. The account opening was successful after leadership had proved that the organisation is in a good standing with legal backing.

STAKEHOLDER ENGAGEMENTS

Having successfully registered the Alliance and constituted the leadership, the next action was to have face to face interactions and formal introductions as well as request for official collaborations with some selected state and international agencies.

These agencies were then expressly selected through thorough discussions and considerations, and among the carefully selected bodies were;

The Food and Drugs Authority FDA, National Road Safety Authority NRSC, World Health Organisation WHO, United Nation Office on Drugs and Crime UNODC, United Nations Development Programme UNDP, Non- Communicable Diseases NCD, Chief Executive Officer CEO and the Mental Health Authority MHA.

At each of the above meetings, we had very pleasant deliberations and all parties were pleased to have had the opportunity to meet each other.

Our delegation ceased the occasion to learn first-hand the workings and challenges of those agencies and agreed on common modalities to overcome our challenges and forge ahead.

1. List of activities carried out within January-June 2019.

- f. Stakeholder/Introductory/Partnership meeting with Mental Health Authority MHA
- g. Stakeholder/Introductory/Partnership meeting with United Nations Development Programme UNDP

3. List of activities carried out within October-December 2019

Follow up meeting and other forms of engagement with some selected institutions to thank them for their participation in the national launch of GhanAPA and to strengthen the newly created relationship.

The Alcohol Policy Alliance – Ghana (GhanAPA), was fortunate to have received a supplementary funds from WAAPA to undertake two significant activities.

These activities are special capacity building for some selected key media personnel and the establishment of the GhanAPA Media Alliance to help advance the GhanAPA Alcohol advocacy agenda

A MEDIA TRAINING WORKSHOP /

SUPPLEMENTARY FUNDS AND ACTIVITIES

A day Media Workshop on Alcohol related issues organized by Alcohol Policy Alliance-Ghana (GHANAPA) under the theme “**The Role of the Media in Preventing/Reducing Alcohol-Related Harms in Ghana**” took place in Accra on the 8th January, 2020 at exactly 10:00 am with invited guests (Journalists and Civil Society) representing in their numbers.

TECHNICAL WORKING GROUP MEETING

SUPPLEMENTARY AND ACTIVITIES

The Alcohol Policy Alliance – Ghana (GhanAPA) has organized a highly successful meeting of the Sub. Technical working group to review the Ghana Alcohol Draft Bill. The two day activities which was chaired by the CEO of the Mental Health Authority, had strong representations from both Government and Civil Society, started on the 28th of January through to 29th January 2020, deliberations were very

fruitful and the document was significantly improved. However, a final day's meeting has been proposed by the group to finalize the document for onward validations and subsequent submission to the Attorney Generals Department before Parliament. The Leadership of GhanAPA is working hard to raise funds for the final meeting which has to be executed within the shortest possible time.

Challenges

The challenges in the advocacy against a legal product such as alcohol can be very awkward, even though, our advocacy is mainly on harmful use of alcohol and legislations to regulate the industry and alcohol consumption, the following are some of the main challenges we encountered.

1. The lack of alcohol regulations (legislation) in Ghana
2. The lack of funds available for CSOs to push for the alcohol regulations.
3. The lack of political will on the part of government as a result of big alcohol industry influence.
4. Lack of capacity on the part of CSO's due to insufficient funds for research and education.
5. The funding of some CSOs by the alcohol industry to counter the effort being push by CSOs for the government to assist the drafting and passage of the bill on Alcohol.

Recommendations

In the face of the challenges, we relished the experience and opportunity to contribute to making the society a better place for all.

We recommend that WAAPA and its partners invest more in capacity buildings for GhanAPA membership; this will equip the team with additional / relevant skills and capacity s to advance its work towards achieving the objectives of WAAPA and GhanAPA.

Another area of consideration is funding to help regulatory agencies to fast track the drafting of and onward submission to House of Parliament the alcohol regulation draft Bill for consideration.

Alcohol Policy Alliance - Ghana; GhanAPA Officially Launched

Speaking at the national launch, Chairman of GhanAPA, Mr Benjamin Anabila noted that, GhanAPA would advocate for the implementation of the WHO Global Alcohol Strategy by promoting abstinence, reduction in consumption and regulation of the alcohol industry. He said GhanAPA would collaborate with key stakeholders to enhance public health and reduce the socio-economic effect of alcohol consumption.

Chief Executive Officer (CEO) of the Mental Health Authority of the Ministry of Health (MoH) Ghana, Dr Akwasi Osei charged GhanAPA to push for the passage of the Alcohol Regulations. He bemoaned how alcohol abuse has put a heavy burden on the health system of the country and needed to be addressed as early as possible. He said alcohol consumption caused a lot of damage to the human organs and urged CSOs to wage a serious fight against it.

Mrs Cynthia Dapaah-Ntow, Senior Legal Advisor with the Food and Drugs Authority (FDA) Ghana delivery a statement on the WHO SAFER Initiative

Facilitating access to screening, brief interventions and treatment, Enforcing bans or comprehensive restrictions on alcohol advertising, sponsorship, and promotion and Raising prices on alcohol through excise taxes and pricing policies. She urged CSOs to provide feedback to FDA on any violations on Ghana's Public Health Act.

Representative from the Non-Communicable Diseases and Prevention (NCDP) of Ghana Health Service (GHS)

Dr Akwasi Osei, Chief Executive of the Mental Health Authority, Ministry of Health Ghana delivering a statement on Alcohol Harm in Ghana

Mrs Cynthia Dapaah, Head of Legal at the Food and Drugs Authority (FDA), said there was the need to sensitize stakeholders on the WHO Initiative to help reduce and prevent alcohol harm.

She said SAFER stood for Strengthening the restrictions on alcohol availability, Advancing and enforcing drink-driving counter measures,
